LAST NIGHT'S SERVICE

President Burris A. Jenkins Closes His Engagement Here

President Burris A. Jenkins of Kentucky University, Lexington, last evening delivered his last sermon at the Christian Church, the subject of his discourse being "The Heavenly Vision."

It is safe to say that no series of sermons delivered in any pulpit in the city in recent years have been listened to more eagerly than have those of Prof. Jenkins. His gigantic intellect, coupled with the experience in the broad field of his work and his own magnetic personality, has qualified him to penetrate the very deepest recesses of the human heart, and his splendid work in Maysville has been of unbounded scope.

Prof. Jenkins left this morning to resume his duties at the University.

There will be no afternoon service at the Christian Church today, but tonight at 8:30 the Pastor, Rev. R. E. Moss, will preach on "Tears in Heaven."

A number of additions will be baptised at the conclusion of the service tonight.

Elder C. R. L. Vawter, Pastor of the Meridian Street Church, Indianapolis, has been holding a most successful revival at Jasonville, Indiana. There were 131 additions to the Church during the meeting. The crowds were too large for any of the Churches to seat, so the meeting was held in the Opera-house. Elder Vawter is an old Mason county boy, reared on Cabin Creek, near Springdale, and his friends in his old home are glad to know of his success in his chosen work.

ANOTHER UNION REVIVAL

Two Methodist Churches in East End to Engage in One

At a joint meeting of the Official Boards of the Second M. E. Church and the Second M. E. Church, South, Monday evening it was decided to unite in a revival effort in the East End.

There will be a union prayer-meeting at Selden's Chapel tonight, at Mitchell's Chapel tomorrow and again at Selden's Friday.

The Official Boards will meet again in joint session tonight after prayer-meeting to perfect plans, which will be announced later.

Every true Christian, regardless of Church affiliation, ought to unite in this effort to improve the morals of the East End.

The two Churches there deserve great credit for their noble stand in the face of such adverse circumstances.

FREE TRANSFER WHARFAGE

To Be Asked For at This Place By the O. R. and C. Railroad

Mr. E. E. Galbreath and several other Ohio bankers and railroad magnets were here yesterday in the interest of the Ohio River and Columbus Railway Company.

In conversation with the gentlemen they gave positive assurance that the road would at an early day be completed as far as Aberdeen, O., and their visit here was for the purpose of securing concessions in the way of free taxation for a specified number of years for a transfer. They wish to make connection with the L. and N.

They do not ask a dollar of this city; all they want is a transfer right as above stated.

The matter will be presented to Council at its next meeting, and there is no doubt but that body will act wisely and in a broad and liberal spirit in regard to the concession.

Aberdeen being the terminal on the Ohio side would naturally make this city a receiving and rebalancing depot for all freight and traffic South of the Ohio river.

It would be the means of building up and giving new life and vigor to this city.

It is hoped the gentlemen are in real earnest about the matter, and what they promise will be a reality and an accomplished fact, and the sooner the better.

This is the season to buy good Monumental work cheap. See MURRAY & THOMAS.

IT'S ON!

The Greatest **Rug and Carpet Sale**

Ever held in Maysville. You can imagine that the goods were cheap when one of the largest stores in Chicago offered to take all we bought at a good profit. But we preferred to give our Maysville friends this advantage. Enough bought for 30 days selling we thought, but if sales keep up like Saturday we doubt if they will hold out 10 days. Carpets and Rugs at less than the wholesale prices today is an opportunity that no one should let pass if in need of any floor covering. Ask the people that have looked and bought whose and where is Maysville's Carpet Store. Just ask, please; your neighbor has surely gotten one of our BARGAINS.

THE Street Inspector reports that the ground is frozen to the depth of three feet in Louisville. In view of recent events in that city, I didn't think Hell was that far off.

THE House Elections Committee decided that the three principals in the Eleventh Kentucky election contest shall be allowed \$2,000 each for expense money. This is an absolute waste of public funds, offering a premium for "trumped up" contests, such as this was on the part of Jayhawker JOHN D. WHITE at least.

WITH Congress investigating the Tobacco Trust; Kansas building refineries to bust the Standard Oil Company; an Indiana legislator declaring that he got either five \$20 bills or a single \$100 bill—he doesn't know which—to vote for the Cigarette Bill; Judge JIM HARGIS fighting the state of Kentucky; Uncle Sam issuing warrants for members of the Beef Trust; with the Czar of Russia declaring that the war with Japan must go on, and the members of Bombmakers Union No. 4-11-44 working overtime at Warsawowski; General MILES, Colonel BENNETT YOUNG and Mrs. JEFF. DAVIS in a bitter wrangle over the treatment of the latter's husband by Mr. MILES; the icefiend destroying millions of property along the Ohio; with the Senate to say what the railroads shall charge for hauling freight; with these and a few other matters now before the public,—well, isn't it wonderful how business keeps up?

If snow counts for anything, there are not enough barns to hold Mason county's wheat crop.

CHICAGO will soon elect another Kentuckian to the Mayoralty—Hon. JOHN M. HARLAN, Jr., son of Justice HARLAN of the United States Supreme Court. What will that city do when her crop of Kentuckians runs out?

WHEN the Anti-Cigarette Bill was on its passage in the Indiana Legislature, Representative ANANIAS BAKER flourished a \$100 note, saying that a Trust agent had given it to him for his vote against the bill. Another account says BAKER flourished five \$20 notes. It is hoped that the Ananiases will settle down to just what sort of money it was.

AN otherwise consistent Massachusetts Protectionist would have an immediate revision of the Tariff in order that the duty on hides might be repealed. With this "burden" removed he thinks the Dingley Law a good measure to leave on the statute books. Let's see just what this "burden" amounts to.

Our total imports of hides and skins last year were valued at \$52,000,000. Of this amount less than \$11,000,000 were dutiable, the entire duty collected being \$1,648,000 only. But, according to The Commercial Bulletin, three-fourths of the imported dutiable hides are exported and entitled to a drawback of practically the full amount. That would leave a "burden" of \$412,000 on the domestic consumers of boots and shoes, harness, belting, &c. Our output of these products in 1900 was valued at \$293,903,437, and was last year fully \$350,000,000. The burden, therefore, was less than 1/4 of 1%, or less than 1/2 cent on a \$4 pair of shoes. As Uncle Sam has no coin small enough to measure that "burden," you would have to buy \$8 worth of shoes to be "burdened" a cent's worth!

"Having taken your wonderful 'Cascarets' for three months and being entirely cured of stomach acidity and dyspepsia, I think a word of praise is due to 'Cascarets' for their wonderful composition. Consults A Physician

But does NOT Tell Him All.

Few women confide fully in a physician. They simply will not tell him all. That's why many doctors fail to cure female diseases.

Every woman dreads the ordeal of the physician's consulting room. A sensitive, refined woman shrinks from the searching questions and the physical examination!

It is not so in writing to Mrs. Pinkham. Thousands of women owe their present health and happiness (yes, and their good looks, too) to the fact that they have told all their physical troubles to Mrs. Pinkham and followed her advice and been cured of female diseases.

Lydia E. Pinkham's Vegetable Compound

Cures more women every year than any other medicine in the world. If you are in doubt about your case, write in perfect confidence to Mrs. Pinkham, Lynn, Mass. You will receive in reply a personal letter of advice free.

DEAR MRS. PINKHAM:—For three months I was sick in bed with female trouble and had four doctors, who all agreed that I must undergo an operation and have my ovaries removed. My sister advised me to try Lydia E. Pinkham's Vegetable Compound before I submitted to an operation. I did so and am very glad to say that after I had used five bottles I was restored to perfect health, which I have enjoyed ever since. I am only too glad to recommend your medicines, as they saved me from an operation which might have proved fatal.

MRS. M. KUTTNER.

556 South Main St., Los Angeles, Cal.

Mrs. Hayes also profited by Mrs. Pinkham's advice.

DEAR MRS. PINKHAM:—Sometime ago I wrote you describing my symptoms (fibroid tumor) and asked your advice. You replied and I followed all your directions carefully and to-day am a well woman.

MRS. E. F. HAYES.

HAPPY WOMEN.

Plenty of Them in Maysville, and Good Reason For It.

Wouldn't any woman be happy. After years of backache suffering. Days of misery, nights of unrest. The distress of urinary troubles. She finds relief and cure? No reason why any Maysville reader should suffer in the face of evidence like this:

Mrs. Lizzie Burns, living on the Blue Run Turnpike, West End, Maysville, Ky., says:

"My opinion of Doan's Kidney Pills which I expressed through our newspapers in the spring of 1900 has not altered. I value this preparation more highly today than I did when I gave my first testimonial. Before I got Doan's Kidney Pills at J. Jas. Wood & Son's drugstore I was troubled with severe spells of backache, and kidney complaint, which came on every three or six months, and there were times when I was confined to my bed and rendered almost helpless. The quick and decided benefit I received from Doan's Kidney Pills was wonderful. I have noticed slight returns of backache since, but an appeal to Doan's Kidney Pills has never failed to quickly and positively check the trouble. In every case I know among my friends when Doan's Kidney Pills have been used the results have always been satisfactory."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

We farmers are very much in hopes the states will succeed in downing not only high-priced oil, but also high-priced sugar and flour. While farmers, of course, are the ones who raise the wheat, it looks very much like the speculators are the ones who reap the profits when flour sells so high. And, by the way, can't somebody introduce a bill that will insure a reasonable price for small crops of tobacco?

A NOTED WOMAN.

COUSIN OF LATE U. S. PRESIDENT ZACHARY TAYLOR.

76 Years of Age, Recommends Vinol For Old People.

Mrs. Sarah J. Windrom of 429 W. Erie St., Chicago, a member of one of the most distinguished families in the country, cousin of Zachary Taylor, 12th President of the U. S., and grandaunt of Alexander Hamilton, who signed the Declaration of Independence, writes:

"Vinol is a godsend to old people. I am 76 years old, but I feel active and well today, thanks to the vitalizing effects of Vinol.

"My appetite is all that could be desired. I sleep well, and my mind is clear, and I am interested in the affairs of life as I was fifty years ago.

"When I was young cod liver oil was dispensed in a greasy, unpalatable form, and it fairly gagged me to get it down. Vinol is so different, palatable and nourishing to impoverished blood.

"I feel so much stronger, both mentally and physically, since I used Vinol that I feel it my duty, as well as a pleasure, to recommend Vinol as the finest tonic I ever used in my life."

MRS. SARAH J. WINDROM.

Such words of praise from a person of such high standing must be accepted as unquestionable proof of the superiority of Vinol.

Do you wonder that our Vinol has such a strong hold upon the esteem of doctors and patients? We know of nothing else that will accomplish such wonderful results; and, remember, Vinol is not a patent medicine.

There are hundreds of old people in this vicinity who need just such a strength-maker and tissue-builder as Vinol. Their blood is thin and sluggish—Vinol will enrich and quicken the blood and build up the system. It is so much better than whiskey and strong stimulants, which always have a bad after effect and weaken and break down. There is nothing in the world so good for the weak, the aged or the run-down system and to cure a hanging on cold or hacking cough as Vinol, and because we know so well what it will do we are always ready to refund every cent paid us for it if it fails to do what we say. Try it on our guarantee.

HAPPY WOMEN.

Plenty of Them in Maysville, and Good Reason For It.

Wouldn't any woman be happy. After years of backache suffering. Days of misery, nights of unrest. The distress of urinary troubles. She finds relief and cure? No reason why any Maysville reader should suffer in the face of evidence like this:

Mrs. Lizzie Burns, living on the Blue Run Turnpike, West End, Maysville, Ky., says:

"My opinion of Doan's Kidney Pills which I expressed through our newspapers in the spring of 1900 has not altered. I value this preparation more highly today than I did when I gave my first testimonial. Before I got Doan's Kidney Pills at J. Jas. Wood & Son's drugstore I was troubled with severe spells of backache, and kidney complaint, which came on every three or six months, and there were times when I was confined to my bed and rendered almost helpless. The quick and decided benefit I received from Doan's Kidney Pills was wonderful. I have noticed slight returns of backache since, but an appeal to Doan's Kidney Pills has never failed to quickly and positively check the trouble. In every case I know among my friends when Doan's Kidney Pills have been used the results have always been satisfactory."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.

BIG BANQUET

Ex-Mason County Man President of Sunday-School Class

The Effie Sheridan Young Men's Bible Class of Trinity M. E. Church, Louisville, held its annual banquet on February 22d, Washington's Birthday.

This is the second largest Sunday-school class in the world, having an enrollment of over 250, with an average attendance of over 125.

This class meets separate from the regular schools. It is a Sunday-school in itself.

It is a regular organization composed of a President, Secretary, Assistant Secretary, Treasurer, Assistant Treasurer, Librarian and Musical Director.

An orchestra of eight pieces renders music each Sunday.

At this banquet a number of prominent business men responded to the toasts. The President of the Class, Mr. Robert L. Hawes, formerly of Minerva, this county, responded to the toast, "Our Class." Mr. Edgar B. Hawes, a Maysville boy, but now of Louisville is a member of this class and was present at this banquet.

The Medicine That Cures.

WINE OF CARDUI

RENO, ORE., May 11, 1905.

Wine of Cardui absolutely does cure sick women. I consider it the most valuable medicine, and it is the cheapest cure any sick woman can use, as it takes as rule, only a few bottles to effect a complete and lasting cure. I especially recommend it for uterine or ovarian troubles, inflammation and ulceration, painful, profuse or scanty menstruation and it is a most valuable adjunct to use during the gestative period, insuring easy childbirth and speedy recovery.

It should have a place in every home as it is a true friend to wife, mother and maiden and I most heartily recommend it.

Dr. E. Buchanan

WRITER AND LECTURER.

Dr. Mrs. Buchanan is an authority on the science of medicine and certainly appreciates the great work physicians are doing for the relief of sufferers. But this does not deter her from expressing her views in praise of Wine of Cardui.

Mrs. Buchanan's high intelligence and long and successful experience render her advice of great value. Wine of Cardui regulates menstruation, cures bearing-down pains and relieves suffering women of the pain and misery to which their sex is heir. You have the word of Dr. Buchanan and thousands of other eminent women that Wine of Cardui will completely cure you.

All druggists sell \$1.00 bottles Wine of Cardui.
